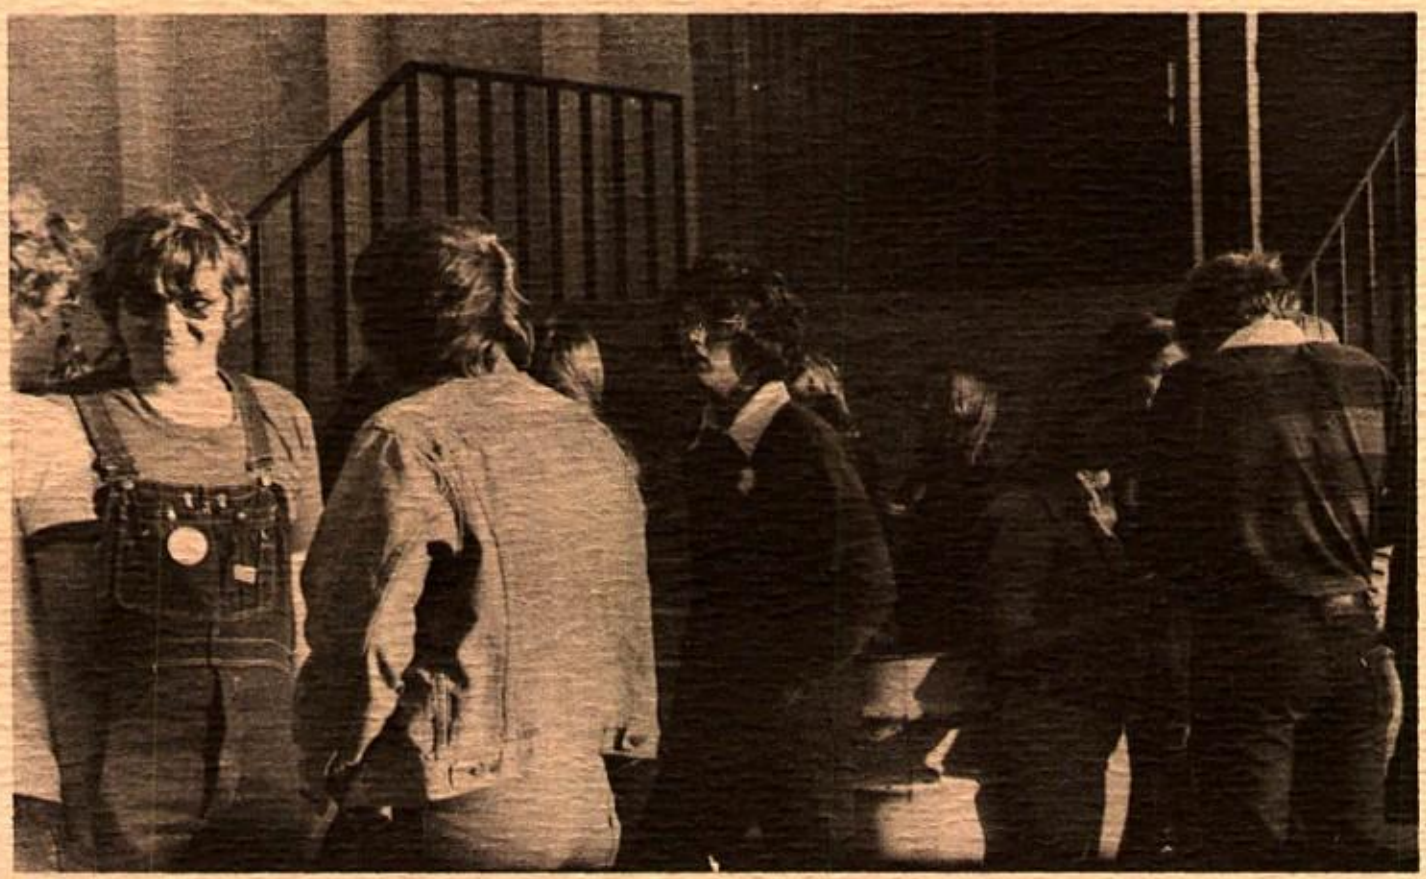
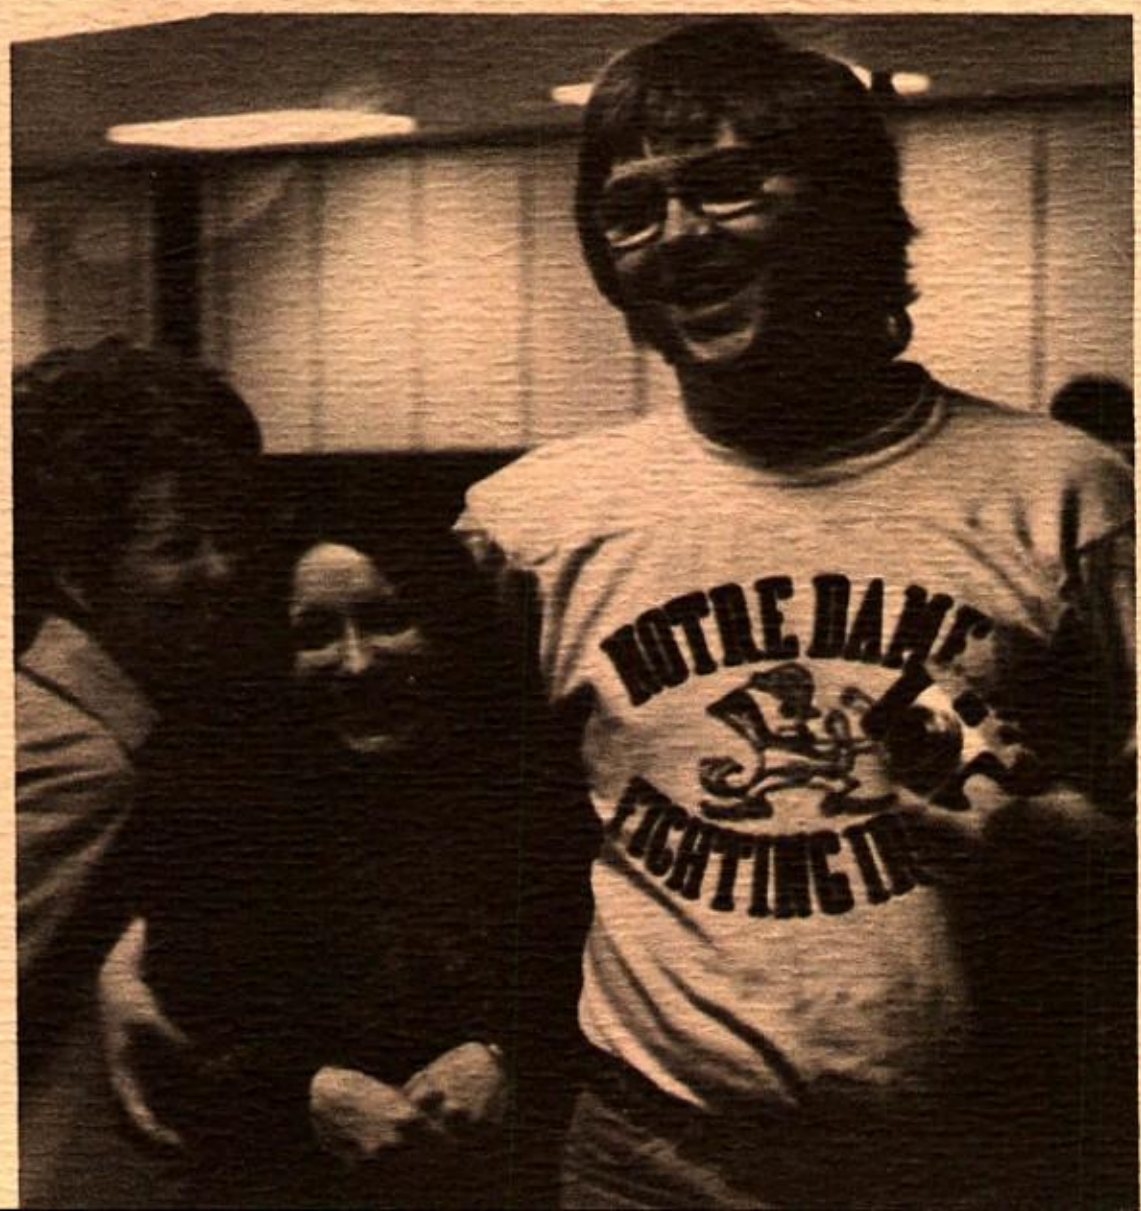
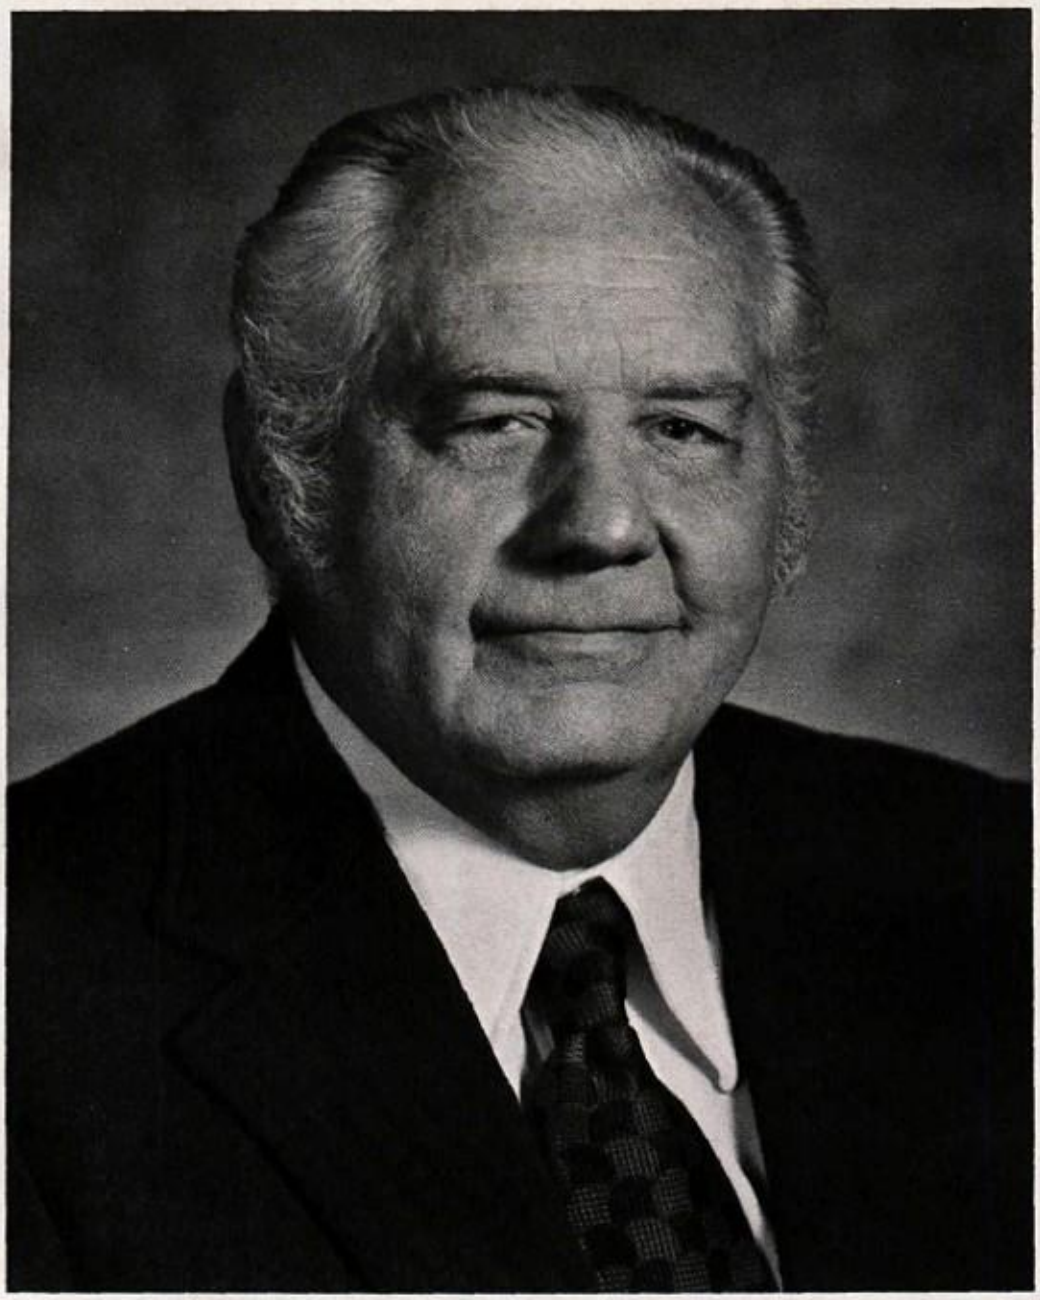
And Friends Make Life Brighter.





Dedication



Thirty-eight years of dedicated service in the Seaman community has made Dan Emrich a legend in his own lifetime.

Mr. Emrich came to Seaman in 1938 with three years of teaching experience. From 1940 until 1952 he was football coach, twice having all victorious teams. His teams won seventy-five games, tied five, and lost forty-seven.

Approximately six-thousand students attended at least one of his classes in his years at Seaman. The additional lives touched by those 6,000 multiply his influence.

His current principal, Don Pierce, expressed his tribute when he recently told the high school faculty, "It is a disappointment to me that my children will never sit in Dan Emrich's classes."

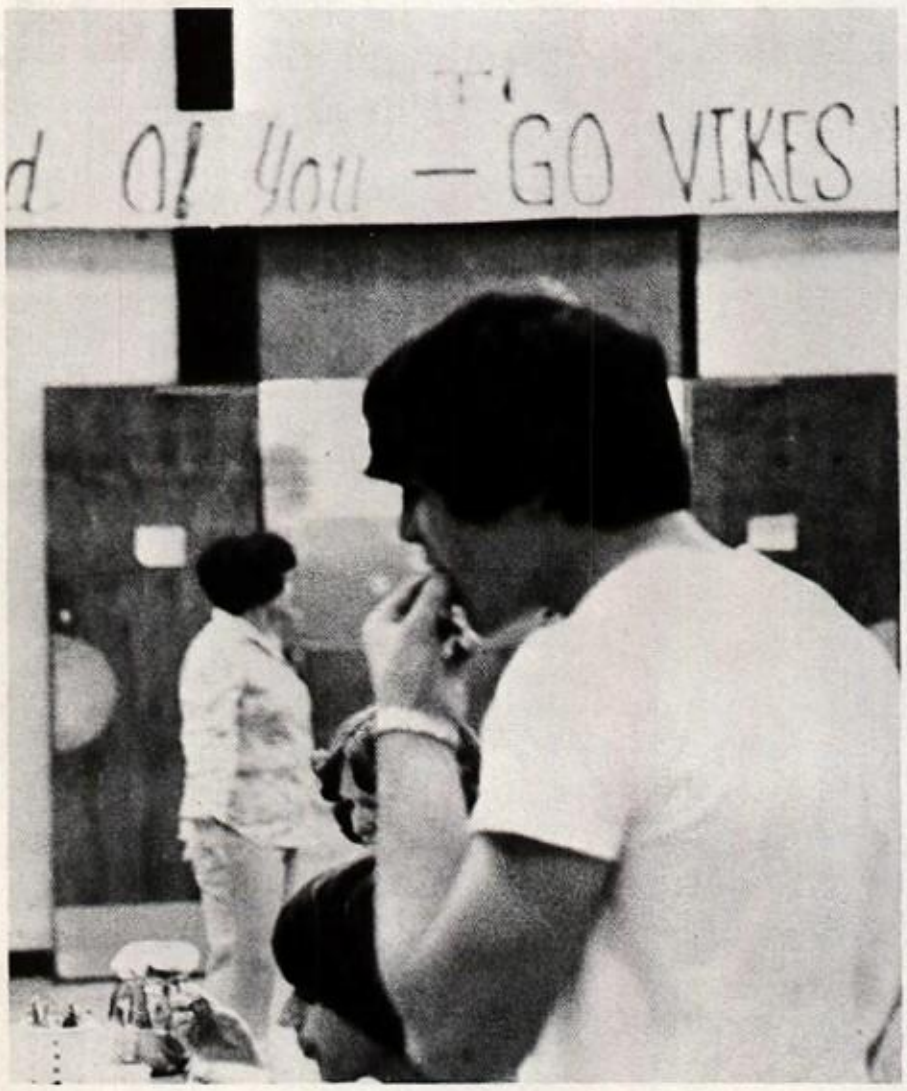
Stuco

When are we going to get the candy machine fixed? Why get it fixed? The way it is now, we make more money. Stuco was active this year with the winter dance, a new candy machine, a new showcase, and the North Central evaluation. What do you think of the Stuco showcase? Kent Brooke made it, didn't he? If you see any NCA people around who look lost, help 'em out. What are we going to do with all of our money? Let's have a party. Yeahh.



Moods Of Christmas

Moods of Christmas. Mainstreet provided the music for the evening. Records were hung by the ceiling with care. That poor snowman. Cheryl Albright was queen for Christmas. I've got to be home by mid-night, before Santa Claus comes.

The garter-throw at the Mardi Gras was a success.

FHA

Did you stay awake all night at the slumber party? Don't stick your thumb in the potatoes when you serve at the banquet. Did you see all those girls at the State Meeting? Let's go congratulate Linda on her 200 dollar FHA scholarship. We need a couple of garters for the Mardi Gras booth. Who has sexy enough legs to be in the booth? We'll get some guys to do it.

Canned food was brought for a Thanks-giving gift. Wasn't something said about a hayrack ride in the spring? We received first place at the Christmas Dance. Sign up at the office if you want to help serve at the convention. There were only two people who signed up to help with the Easter Seals. My heart sister gave me an elephant. Seven hundred-fifty word theme to be an active member? This year the Seaman FFA chapter placed first in the district sweepstakes. Any ideas for a creative way to junk this point system? Hey, where's the plumber? Bud, the library is really shaping up. The teachers played the members in a donkey basketball game. The chapter sponsored a state horse judging contest late in the year.

French Club won another volleyball game against Spanish Club. They played bingo. The title of the Christmas Banquet was Pére Noel. The Club brought the Mardi Gras to Seaman this year. Spanish Club

Spanish Club

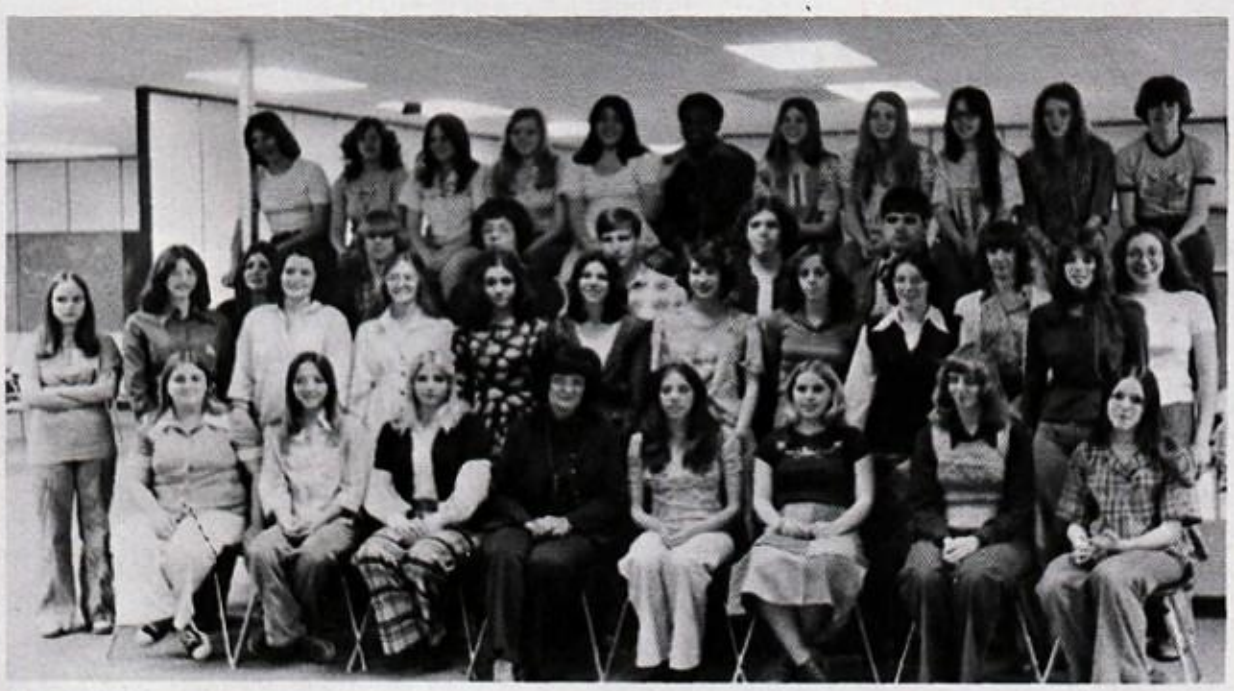
A taco pinata at the Christmas dance? Why do we have to leave so early for the meet? I wonder if Elmer really enjoys running this club. The volleyball game against French Club wasn't very good; probably because we lost. This year Spanish club made giant pinatas for Christmas dance decorations. The club was active and participated in a state Spanish meet held at Wichita. Miss Miley was the club's sponsor.



Artist Of The Month

Art Club

The entries for Artist of the Month need to be judged. I think the annual art show turned out fine. Out of a group of twenty, an average of eight to ten people are at the meetings. The chess set was one of the most unusual entries in the contest. We seem to average fifteen to twenty entries each month. The Artist of the Year receives a twenty-five dollar savings bond. The fifteen dollars from the bake sale paid for the frame for the Artist of the Year.

Has anyone worked on his speech? My mother isn't going to get up that early to drive to the tournament. I hope we get a room with heat this time. I've got a funny feeling this judge didn't like my speech. Does Michelle always call at four in the morning? Leave some donuts for the others. We made a snowman for the Christmas Dance. Band Awards Concert

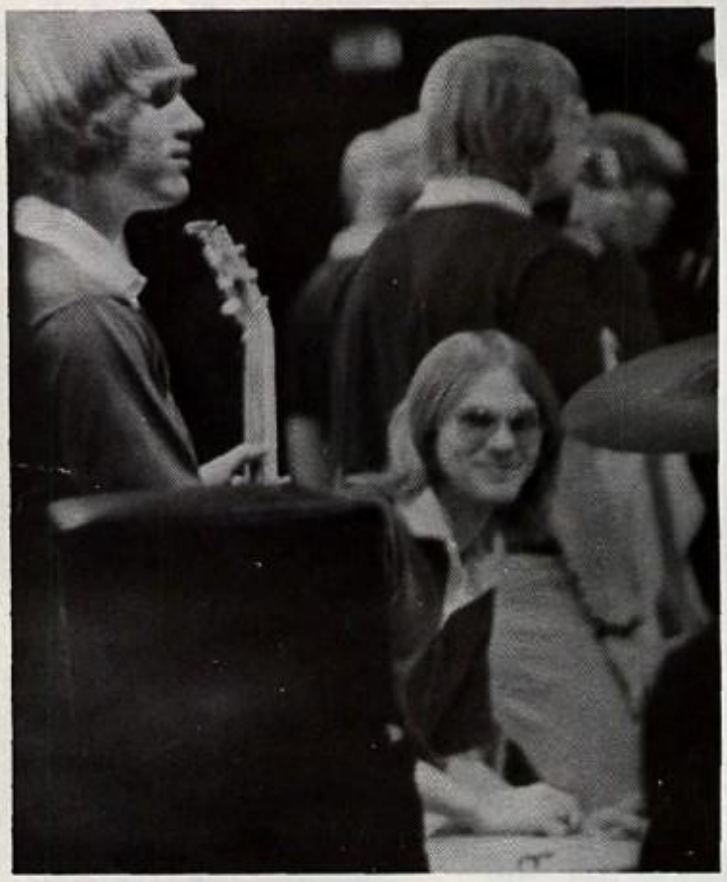
The Superior Bandsman was awarded to Cindy Hildebrand.

What did we get for Mr. Stroud this year? I think it's something to put on his bar. My name was left off the program, and I didn't get my stage band medal. The Annual Band Awards Concert was the last concert of the year with Viking Band and Stage Band participating. Is Terry nervous about being emcee? I'm glad Cindy Hildebrand got Superior Bandsman.

Mr. Stroud receives an appreciation gift from the band.

Pop Concert

I hope Janci gets through her solo in "Smiles, Smiles, Smiles." Remember, you stomp your foot on the second "Hey," not on the first one. Put the people without collars in the back so nobody will see them. Somebody has my robe on. The one I've got drags the floor. Hey, scoot down, I'm about to fall off the risers. The 1976 Pop Concert was a big success with Concert Choir and Seamanaires performing. I felt it tickle my... Alright, you guys!!!



A good view of the Seamanaires' set-up.

Choral Awards Concert

See the fine musicians!

What if we forget the words to "Alleluia"? We can always sing "la, la, la, la..." Several groups participated in the 1976 Choral Awards Concert. They included Sophomore Choir, Concert Choir, Girls' Glee, a girls' trio, and a boys' barbershop group. Those "guys" are good kazoo players. The 1976 Senior Award goes to--Kent Brooke! Speech! Speech! Somebody lower the mike! A first for Concert Choir was a banquet. Where's my slave? Get me a piece of cake, slave. Stever the Tenor. Watch out for Jay's grabber!

Kent Brooke receives the Senior Choir Award.

The Seniors sing their last concert. Mrs. Foree, sponsor, directing.

Vikettes

What routine will we do for the Topeka Bicentennial at White Lakes? Probably the only one we know. Seventeen girls attended summer camp and brought back two first place ribbons and an outstanding girl, DeAnne Stenger. Where's the free time they told us about? We got the best score in the whole camp. How will we learn 'Rock Around the Clock' in one week? We performed for almost every home game. How can we possible make enough money for new uniforms? With the cry "Come on, you guys--SMILE." forever ringing in the Vikettes ears, they strived to be the best ever. Their success was shown in a great year that was topped off with a memorable last performance. Stupid record player.

Viking Pride

What are we going to name the Viking head? Heck, with a name, who's going to wear it? Viking Pride grew in membership and actual participation this year. Alright, let's find out where we can sit and get there. Hey, are we S-E-A or M-A-N? What kind of pizza do you want? I wonder how we could afford all this pizza for only 25 cents a person. The club added a lot to the spirit of the games. And above all could be heard--OOOOOOH-YEA!!!!

I still think that our group is larger than Highland Park. Why don't the cheerleaders cheer? I had to take my turn working in coat check. Did you notice the posters that we made for the game? You have to be in honor pep to be a candidate for queen. Point cards must be in by the first quarter. Why do we have to sit down? I can't see what's going on. Remember all the food on the bus rides. JUNIORS

Juniors...
Do you think that's enough hot dogs for the prom? Last year it was science. Now it's history. It's a secure class--better than being a sophomore and safer than being a senior. It's like being the peanut butter on the sandwich of life.

What can I say about juniors...
Juniors are the teachers' hopes for a better senior class.

Seniors

I've finally got one class I want--only because I was first in line to enroll. This is our last year to skip so we'd better do it now. It's almost the end! But what am I going to do? I'm finally 18. Do I still have to be in by twelve? I'm one credit short! Look how raunchy my picture turned out. Do you think MY mom will let ME spend the night at Worlds of Fun? How will I ever pay off my senior debts? I've got the senior blues.

What can I say about Seniors...
There will never be an end to learning.
